

MUSEUM & GARDEN

Both the museum and garden were created between 1937 and 1939 during the period after the great depression. They are, therefore, historical as well as having lots of things to do and learn.

INSTRUCTIONS

- Explore the museum and check out the cool displays.
- See the video (14 minutes long)
- Play the Pima Stick Game located in the garden portico.
- Check out the smells, look for fruit, etc.
The garden contains many foods and herbs used by both the Indians and the Spanish.
- Don't forget the bathrooms!
